

LIVING INNOVATIONS RHODE ISLAND

a service of  MOSAIC®

Living Innovations was founded in 1996 by Neal Oullette in New Hampshire. Neal started our Shared Living program, which quickly expanded into Maine and Rhode Island. In 2021, Living Innovations became part of the Mosaic network of services.

“I lost everything when my mom died, now living with Theresa (her SLA provider), she is my family. I thank her for that.”

—Amber, who has become a Reiki master since living with Theresa

ABOUT MOSAIC

Mosaic is a whole-person healthcare organization reaching across 13 states with national support to ensure quality and provide innovation in services. Nationally, Mosaic supports nearly 4,500 people with intellectual and developmental disabilities and other diverse needs.

Living Innovations provides support to people of all ages and abilities to have a good life at home and in the community.

SHARED LIVING ARRANGEMENTS (SLAs)

To ensure a stable and safe Shared Living Arrangement, Living Innovations carefully and diligently matches the person in need with a Home Provider. There, the person receives the highest level of individualized care and community inclusion.

Our Rhode Island team has extensive expertise and experience providing services for people with a broad range of intellectual and developmental disabilities.

That depth of experience allows us to provide comprehensive, personalized and inclusive services to meet the very unique needs of each person we serve.

Family members, friends and others in the community can be Home Providers as long as they meet the requirements and can offer the needed supports.

Please contact us if we can help find the supports that are a just-right fit for you or the person you care about.

Since 1996, Living Innovations has supported people with diverse needs, and currently serves more than **150 people** in Rhode Island.
